Interdisciplinary Research Conference

2026 11th International Conference on Business and Industrial Research

ICBIR2026: May 21–22, 2026 Bangkok, Thailand

Organizers: Technology Promotion Association (Thailand-Japan) (TPA), Artificial Intelligence Association of Thailand (AIAT), and Thai-Nichi Institute of Technology (TNI)

The 11th International Conference on Business and Industrial Research (ICBIR2026) is a multidisciplinary academic conference which includes research in science, engineering, informatics, modern business, social science and linguistics since 2010. ICBIR2026 will provide opportunities for the national and international Researchers, Academicians, Business Persons and Students to interact and exchange ideas, experience and expertise in the current trend and upcoming technologies. Besides this, participants will have the opportunity to meet people with similar research interests which can lead to future research cooperation. The need for a multidisciplinary conference is to make transdisciplinary collaboration among researchers from around the globe.

The areas of research covered by ICBIR are the most disruptive technologies currently undergoing a massive transformation. Please note that not all submitted papers will be published in the IEEE Xplore Digital Library. Only papers that fall within the IEEE scope and meet the required publication standards will be included in IEEE Xplore. Other accepted papers will be published in the ICBIR2026 Conference Proceedings. Sightseeing opportunities also will be provided to participants. Registration benefits are available for IEEE members, AIAT members and partner universities' faculty and students.

Track 1: Sciences and Engineering: Artificial Intelligence and Robotics, Computer Vision and Image Processing, Production and Automotive Engineering, Embedded System Architecture, Electrical Power Systems, Intelligent Transportation System, and other related topics.

Track 2: Information and Communication Technology: Digital and Multimedia Technology, Computer Networks Performance, Networks and Cyber Security, Data Science and Analytics, Business Intelligence and Technology, Web Technology and Mobile Applications, AI and IoT, Natural Language Processing, Health Technology, Software System

Track 3: Technology on Education and Society: Artificial Intelligence in Education, Generative AI in Learning and Educational Settings, Game-based Learning and Gamification, Mobile Learning and Microlearning, Multidisciplinary and Transdisciplinary Education, Smart Education and Digitalization, Personalized Learning and Adaptive Learning Systems, Social Media and Learning Communities, and other related topics.

Track 4: Technology-Driven Business Transformation: Digital Transformation & E-Business, Digital Marketing & E-Business Management, Financial Technology, Technology-Driven Innovation & Entrepreneurship, Innovation & Business Development, Smart Tourism & Global Business Technology, and other related topics.

Subject: Call for Papers - The 11th International Conference on Business and Industrial Research (ICBIR2026)

Dear Dean,

The 11th International Conference on Business and Industrial Research (ICBIR2026) is a multidisciplinary academic conference which organized by Technology Promotion Association (Thailand-Japan) (TPA), Artificial Intelligence Association of Thailand (AIAT), and Thai-Nichi Institute of Technology (TNI). The ICBIR2026 will be on 21–22 May 2026 at the conference hall of Thai-Nichi Institute of Technology, Bangkok, Thailand.

ICBIR2026 will provide opportunities for the national and international researchers, academicians, business persons and students to interact and exchange ideas, experience and expertise in the current trend and upcoming technologies. Besides this, participants will have the opportunity to meet people with similar research interests which can lead to future research cooperation. The need for a multidisciplinary conference is to make transdisciplinary collaboration among researchers from around the globe. The areas of research covered by ICBIR are the most disruptive technologies currently undergoing a massive transformation. This conference is planned as the onsite conference. Sightseeing opportunities also will be provided to participants.

For the participants who are IEEE members, AIAT members and TNI's partner universities' faculty and students, will receive a 10% discount of registration fee.

I cordially invite you to submit your research articles and participate in ICBIR2026. We also would like to ask your favor to distribute call for paper submission of ICBIR2026 to your institution's members and the researchers in your connection networks.

Yours sincerely,

Assoc. Prof. Rungsun Lertnaisat

President of Thai-Nichi Institute of Technology
